Philadelphia, Pa.

Dear Gottlieb:

Enclosing the letter from Senler which you sent me. I had just written him two days ago, have not had time to have an answer back.

What I am really writing you about is to ask you to please send me the premium rates of the insurance company for rain insurance. I want to insure the Opening day. I think I want a policy that would cover receipts as well as expenses. Please send me the different rates.

Very truly yours,
